

IN00274 (rev B)

Bi-fold Door & Side Panel

- Instruction suitable for both Right and Left Hand fixing variations.

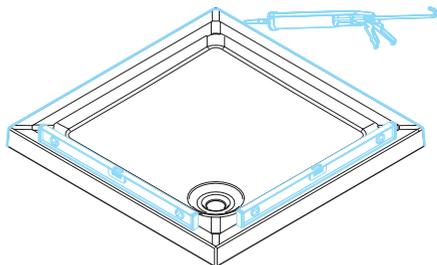

IMPORTANT: If installing a Bi-fold Door only; ie. a recess installation, please refer to alternative fixing details on the document reverse.

Before You Start

- Check that the tray has been installed correctly and that it is level (Fig. A), tiled down onto and sealed to the manufacturer's guidelines. **Please Note:** All product supplied without tray.
- Ensure the product is fitted to a non-porous surface ie. tiled. Check that the wall surface is flat.
- Unpack and check the product is complete and undamaged.
- Fixings are supplied for solid walls only. Ensure that the correct fixings are used for the wall type – if in doubt seek professional advice.
- Ensure the area is clean, dry and dust free.
- Read the instructions in full.
- Have the correct tools available, (as shown below, see 'Tools Required').
- It is recommended to situate the showerhead and door adjacent to each other in order to allow any water spray to be on the side panel or upstanding wall.

Fig.A.

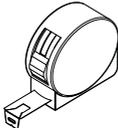

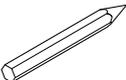

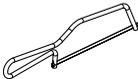

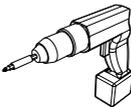

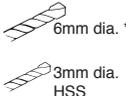

Safety

- Handle all glass with care - support on cardboard to avoid risk of breakage.
- This product is heavy and requires 2 people to carry and install it.
- When drilling walls check first for hidden pipes and cables.
- All glass is toughened – it cannot be reworked or replaced by ordinary glass.
- Use safety eyewear when drilling.
- Use safety eyewear when handling glass.
- Keep all small parts away from children.

Disclaimer

- Please notify the retailer immediately of any damage or faults. The manufacturer cannot be held responsible for any installation costs that may arise from damaged or faulty product being installed.
- Please dispose of all packaging with due regard to the environment.

Inside View

An exploded view diagram of the door knob assembly. It shows the knob, a screw, a washer, a spacer, a nut, and a lock cylinder. Blue arrows indicate the direction of disassembly (removing the knob) and reassembly (putting the knob back on).

! NOTE: Door Knob is supplied assembled. Unscrew by hand to dismantle part and then reassemble as shown. DO NOT overtighten.

Apply Silicone Sealant, (not supplied).

Only apply silicone sealant to the outside of the enclosure. **DO NOT** use silicone sealant on inside of the enclosure.

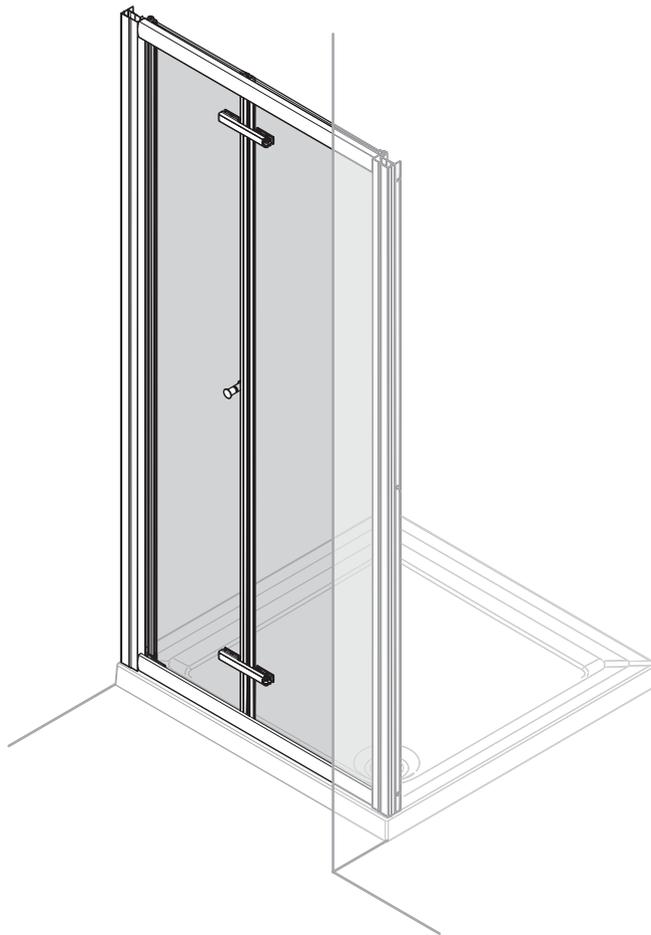

Product Care:
Use a non-abrasive cleaner.
Water marks may be removed with a proprietary limescale remover or household vinegar.
