## Waste Electrical & Electronic Equipment (WEEE)

The symbol on the product, or on the document accompanying the product, the crossed out wheelee bin symbol, indicates that this product may not be treated as household waste.

Instead it shall be handed over to the applicable collection point for the recycling of electrical and electronic waste.

**RoHS Compliant** ✓ **CE**

# Illuminated LED Mirror IP44

## Installation

Carefully mark the desired position for the mirror using the dimensions shown above. Then proceed to drill the holes using the 8mm drill bit for the Rawl wall plugs and screws.

**Note:** Be careful to avoid any wiring or water pipes.

Insert the Rawl wall plugs and screws into the wall. Be sure to leave a gap of approximately 5mm between the wall and the screw head, so the screw is sticking out slightly.

Connect the cable to the mains supply and proceed to attach the mirror to the wall by slotting the brackets onto the wall mounting screws.

**Note:** Ensure that the infrared sensor is located at the bottom of the mirror when mounting.

## Operation

## Bluetooth Audio

## Maintenance & Care

- To keep the finish of this product, wipe over with soft cloth periodically.
- Do not use harsh chemical solvents, this may dis-colour or damage the finish.
- Do not over-tighten screws on the terminal block.
