Description:

The Belgravia R Mono Basin Mixer is made from solid brass with a zinc handle both in a polished chrome finish. It has slimline handles and a subtle curved look that makes it a beautiful addition to any bathroom.

It is suitable for use with all plumbing systems with a minimum operating pressure of 0.2 bar.

All dimensions are approximate and subject to normal ceramic variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. *Against manufacturers defects. Full information on guarantees available upon request.
