Description:

The framed 6 pivot door shower enclosure range is available in a number of sizes fitting widths of 760mm - 900mm. With 6mm toughened safety glass, and polished silver profiles and chrome handles the range is a beautiful complement to modern bathroom design.

All dimensions are approximate and subject to normal variation. Although every effort is made not to change the above product specification, Aqualux reserve the right to do so without prior notification if necessary.
