* Please note:

- Dimensions are subject to change. Customers are advised to measure actual product dimensions before commencing installation.
- Recess dimensions are for guidance only. We recommend measuring the product dimensions and adding a minimum of 5mm to provide some tolerance during installation.
- Fixing point dimensions are for guidance only. The positions of wall fixing must be checked when product is received.
- The LED (lm) values represent the output of the LED. Actual product level Lumen output may vary depending on the diffuser material i.e., glass or acrylic.
