NIKA HORIZONTAL

Aluminium Radiator

REINA
DESIGNER RADIATOR

2 Years Guarantee

Material: Aluminium

The Nika Horizontal Smart Radiator is a high-performance heating solution crafted from aluminium with a sleek anthracite finish. It offers precise temperature settings ranging from 7-30°C, with low surface temperatures between 40-55°C and a Heat Plus feature for 65-75°C for extra warmth when needed. Equipped with an LCD display, open window detection, and KSD overheating protection, it ensures safe and efficient use. With child lock functionality, WiFi connectivity, and integration with Google Home, Alexa, and the iNow app for seamless control via Android/iOS, it brings both comfort and convenience to your home.
