Product information

Basin unit, column, drawer panel, worktop: MFC / MDF Class E1. Wooden Drawers with Soft-closing. Doors with Soft-closing hinges. Shelf: MFC thickness 16mm Class E1. Optional Leg. Finishes: Glossy lacquered / Melamine double faced.

Safety

Maximum Shelf Loading: 2 Kg evenly distributed. Do not apply pressure of more than 15 Kg on open drawers. Incorrect installation and/or use of the item for any purpose other than that for which it was intended can be dangerous or cause possible injury to users.

Maintenance and Cleaning

Wipe down with a damp cloth and dry carefully. Do not use any solvents, abrasive substances, or Microfiber cloths for cleaning. Spilt liquids must be wiped up immediately using a cloth; thereafter, dry the surface with a clean dry cloth. When cleaning or using the bathroom, please take care for all furniture having integrated lights or other electric parts, to avoid direct contact with water or moisture. Effective ventilation of the bathroom is essential to maintain the quality and appearance of the product.

Product life-cycle

At the end of its useful life, entrust the unit to the local waste disposal company.

Guarantee:

Product warranty takes effect as of the purchase date of the product, as shown on the invoice or receipt and for the period granted under applicable law. Product warranty granted by law only covers defects (appearance, dimension, operation) existing at the time of delivery resulting from manufacturing errors, as verified and confirmed by the manufacturer's after-sales service technical staff. Normal wear is not included.
