Description:

Designed with the user in mind, these grab rails with concealed fixings help to provide extra points of contact around the room making the bathroom more accessible. These rails are for use where additional assistance may be required.

All dimensions are approximate and subject to normal variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. All guarantees are against manufacturers defects. Full information on guarantees available upon request.
