### Key features:

- 2 Year guarantee on standard hinge seats
- UKCA Compliant
- Hygienic design

### Description:

Made from polypropylene plastic, this seat is flexible and hard to break. Its unique design makes it virtually impossible for the seat to come loose once installed. Using various patent devices that hold the screw firmly in place, lateral movement is prevented which provides peace of mind for everyone.

All dimensions are approximate and subject to normal variation. Although every effort is made to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. All guarantees are against manufacturers defects. Full information on guarantees available upon request.
