Motu Tall Basin Mixer

PRODUCT CODE: *MTTBCP_DEFAULT*

The Motu tall basin mixer is designed to make a confident style statement while delivering efficient, effortless everyday performance - ideal for countertop and vessel basins.

A high-quality ceramic cartridge ensures smooth, precise operation, while the integrated 4 litres-per-minute flow regulator helps reduce water consumption without compromising usability. The slim stream aerator delivers a controlled, splash-free flow, enhanced by a directional swivel for added flexibility and comfort at the basin.

Thoughtfully designed for ease of use, the Motu tall basin mixer is intuitive and accessible for all the family, combining contemporary aesthetics with water-efficient performance and long-lasting reliability.

Features
