FAQs

Q: Can a wall hung frame be used inside the BTW unit?

A: No, see brochure.

Q: Do the fascia's come pre-drilled?

A: No, this must be done to suit the cistern / pan selected.

Q: Are the fascia's removable?

A: Yes, they are on quick release clips.

Q: How do I fix the unit to the wall?

A: You can secure it to the wall drilling through the back brace using the pre-drilled holes

Q: What flush button can be used for this unit?

A: All Tavistock branded flush buttons are suitable.

Q: What cistern is a suitable size for this unit?

A: All Tavistock branded cisterns are suitable for unit. Non branded products should be checked by installer
